My sincere thanks everyone who made today's event possible and especially Joan, Carolan & Jan for the timekeeping.

I should like to also thank all of the CC Weymouth members and friends who turned out to assist. The success of the event was down to you all.

Finally, thanks to all riders for supporting this event and embracing the concept. Due to the lower number of entries this year we shall be making changes for 2010. The Athletes 10 will still be held, but in conjunction with an unrestricted 10. The prize funds will be drawn from the entry fees for each event individually. Also the event will revert to the Warmwell P451 course with HQ in Broadmayne. Why not enter both events and get a same day/same course comparison.

As with last year, a superb day for weather although not quite as quick. Another win for Rowan Horner, but the conditions did not enable him to match his sub 23 minute ride of last year.

Cheques for all prize winners having emailed results will be posted out shortly.
