

My sincere thanks everyone who made the event possible and especially Carolan, Ros and Joan for the timekeeping.

I should like to also thank all of the CC Weymouth members, family and friends who turned out to assist, without whom the event could not have gone ahead. My particular thanks to John Chapman for taking my place on the day whilst I was away looking after my wife in her attempt at the London Marathon.

Finally, thanks to all riders for supporting our event, a much smaller field this year, but very good quality. A great ride by Aran Stanton on what I understand was a tough day.

Cheques for all prize winners having emailed results will be posted out shortly.

Why not come along and try out our first ever 25 on Sunday 21<sup>st</sup> June, which will be the first open event on this course.

Also don't forget our Athletes 10 will be held on 26<sup>th</sup> September this year, again open to road bikes only with no aero advantages allowed. Rules are on our website, so why not come along and have a bit of retro fun. No-one will be prevented from riding, but there will be substantial time penalties for each aero infringement.
