Finally, thanks to all the riders for supporting our event, and a great ride by Dave Pickering to break the course record.

Don't forget our Athletes 10 will be held on 26<sup>th</sup> September this year, again open to road bikes only with no aero advantages allowed. Rules are on our website, so why not come along and have a bit of retro fun. No-one will be prevented from riding, but there will be substantial time penalties for each aero infringement.
